

ASSEMBLY INSTRUCTIONS

LODI 3-LIGHT ARC FLOOR LAMP

2310500MB

1. Carefully remove all parts from the box and place them on a clean surface below.
Please refer to the list below of components included inside the carton.
2. Insert the solid wood disk (D) onto the threaded tube under the column (E).
3. Secure the marble base (C) to column (E) using the washer (A) and nut (B) with a 17mm wrench (K). You will find your hardware attached to the bottom of column (E).
4. Snap together male-female amp connectors (F&G) located at the top of the column (E) and the bottom of arm set (I).
5. Insert arm set (I) into the column (E) and secure it in place with the set screw (H). Set screw will be found attached to column (E).
6. Insert bulbs (J) (included) to sockets.
Bulb: A19 120V 14W 2700K E26 Flicker-free Dimmable LED (included).
7. Plug into a 110V surge protected outlet.
8. Enjoy the beautiful light!

IMPORTANT SAFETY INSTRUCTIONS

This lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.

IMPORTANTES INSTRUCCIONES DE SEGURIDAD

Esta lampara tiene un enchufe polarizado (una navaja es mas ancha que la otra) como forma de seguridad para reducir el riesgo de un shock electrico. Este enchufe polarizado entrara en una conexi3n solo de un lado. Si el enchufe no entra en la conexi3n trate al reverso. Si aun asi no entra, contacte a un electricista calificado. Nunca use una extension a menos que el enchufe pueda ser conectado completamente. No altere el enchufe.
